Dear Chaochen ,

Study Title: Investigating the timing of nutrients (carbohydrates) intake in the National Diet and Nutrition Survey Rolling Programme (2008-2014)

LSHTM MSc Ethics Ref: 15624

Thank you for your application for the above MSc research project, which has now been considered by the MSc Research Ethics Committee.

Confirmation of ethical opinion

On behalf of the Committee, I am pleased to confirm a favourable ethical opinion for the above research on the basis described in the application (CARE) form, and supporting documentation, subject to the conditions specified below.

Conditions of the favourable opinion

Approval is contingent on local ethical approval having been received, where relevant. It is the responsibility of the student and their supervisor to ensure appropriate local ethical approval is in place before a study commences (ie if you indicated this in question 40, local approval is required). Please forward confirmation of local ethics approval as soon as it is received.

Approved documents

The final list of documents reviewed and approved by the Committee is as follows:

Document Type	File Name	Date	Version
Investigator CV	rap-2pg-cv	12/04/2018	1st
Other	approval email	12/04/2018	1st

After ethical review

Any subsequent changes to the application must be submitted to the Committee via an Amendment form on the ethics online applications website:
