EDUCATION

London School of Hygiene & Tropical Medicine, Master of Medical Statistics [expected]	2018.9
Nagoya University Graduate School of Medicine, Doctor of Philosophy (Medical Science)	2016.3
Nagoya University Graduate School of Medicine, Master of Medical Science	2013.3
Shanghai Jiaotong University, B.S. Nutrition Science	2010.7

EMPLOYMENT

Department of Public Health, Aichi Medical University School of Medicine:

Assistant Professor	2015.4–present
---------------------	----------------

Department of Public Health, Fujita Health University School of Medicine:

Research Assistant	2013.4–2015.3
--------------------	---------------

Department of Public Health and Health Systems, Nagoya University Graduate School of Medicine

Research Assistant	2013.4–2015.3
--------------------	---------------

TEACHING

Instructor for 2nd and 3rd year undergraduate students	2016.4–6
--	----------

Through small group seminars and discussions, I teach very basic knowledge of statistics, epidemiology, and methods of literature retrieval (PubMed, Web of Science etc.). I am also a tutor during the social medical practical training (mainly about evidence based medicine, EBM) for the undergraduate students. (<http://rpubs.com/winterwang/introduction>) (http://winterwang.github.io/Epi_exercise/slides.html#/)

Lecturer for 3rd year undergraduate students	2017.4
--	--------

I gave 3rd students a lecture on Nutritional Epidemiology.

PRESENTATIONS

2011

***Wang, C., et al.** "Positive association between blood C3 level and liver fat content quantified by 1H magnetic resonance spectroscopy in Japanese men" The 9th International Symposium on In Vivo Body Composition Studies, Hangzhou 21-24 May. (http://winterwang.github.io/files/2011_Hangzhou_C3.pdf)

2012

*Wang, C., et al. "Association between C-reactive Protein and Incidence of Type-2 Diabetes in a Japanese Worksite-based Cohort" The 22nd Annual Scientific Meeting of the Japan Epidemiological Association. (https://winterwang.github.io/files/2012_JEA_abstract.pdf)

2013

*Wang, C., et al. "Seaweed intake and the risk of thyroid cancer in women: The Japan Collaborative Cohort Study", The 72th Annual Meeting of Japanese Society of Public Health, Tsu 23-25 October. (http://winterwang.github.io/files/Seaweed_thyroid.pdf) [in Japanese]

2014

*Wang, C., et al. "Associations of parental history of diabetes mellitus with the offspring's incidence is modified by offspring's body weight, findings from a Japanese worksite-based cohort", The 20th IEA World Congress of Epidemiology, Anchorage 17-21 August. (http://winterwang.github.io/files/2014_IEA.pdf)

2016

*Wang, C. "Assessment of the rapid urine antibody test for *Helicobacter pylori* infection in adolescents" Annual Team Meeting of Research for the Prevention of Gastric Cancer in Japan, Sapporo 15 January. (<http://rpubs.com/winterwang/sapporo>) [in Japanese]

*Wang, C., "Metronidazole: Side effects and Safety", The 22nd Annual Meeting of the Japanese Society for *Helicobacter* Research, Beppu 24-26 June. (<http://winterwang.github.io/metronidazole>)

2017

*Wang, C., "Prevalence of *H.pylori* infection in Japan by birth cohort, from 1908 to 2003 – a systematic review and meta-regression analysis" The 21th IEA World Congress of Epidemiology, Saitama, Japan 19-22 August.

AWARDS & SHOLARSHIPS

Outstanding Graduates of Shanghai Jiaotong University	2010
Recipient of Ajinomoto Scholarship for outstanding students from overseas	2011-2012
Young Investigator's Award, The 48th Annual Meeting of the Japanese Society of Cardiovascular Disease Prevention, Tokyo	2012
Recipient of scholarship from Otsuka Toshimi Scholarship Foundation	2013-2014

LANGUAGES

- Chinese Mandarin: Native Speaker
- Chinese Hokkien: Native Speaker
- English: Fluent (IELTS overall: 8; L 8.5, R 8.5, W 7, S 7) - 2017.1.7
- Japanese: Advanced (Japanese Language Proficiency Level 1)
